504 Fast Facts for Families

Section 504 is a federal civil rights law that protects people with disabilities and ensures that they have equal access to educational programs, compared to people without disabilities. We want to hear from you about disability related issues in the community and school, share your experiences and ideas, to help all children access the educational program equitably.

You may also submit any written questions or comments to: katharine.ford@bie.edu any time before May 17, 2023.

Please join us for some fun and community engagement!

Refreshments and Door Prizes will be available for all in-person attendees!

Child Care/Game night will be offered for children so their families can participate!
